Final Shipment of Racers

Southern Maryland Agricultural Association opens on Saturday, are being tightened up for the opening. New Orleans without mishap or the development of car sickness and all have done splendidly since their arrival at Bowie. The same may truthfully be said of practically every stable at the new Maryland track. There has been no sickness there since last fall.

The people down the river have quite a treat in store for them, as Billy, Louis assistant, not only knows the wresting game, but with Louis in the best of condition, the two promise some wild sport for the Virginia favor.
